

Lake Don Pedro Trailblazers

September 16th, 2010

Meeting Minutes

Meeting opened at 7:05pm.

Attendees:

Terrie Booten

Vickie Eiland

Monica Fay

Steve Alexander

Eric Forester

Dave Reynolds

Brenda Nathaniel

Andrea Reynolds

Agenda:

The agenda for the evening covered the items listed below:

1. Tim Eiland was our guest speaker and talked to us about how to go about an easier way to record easements. This matter has come up as we look at the dedicated easements and want to try to connect trails that help make better loops and courses. Basically, there is a way to do this where cost is minimal and it would be a joint effort with the Owners Association. Tim is willing to assist us in a protocol to obtain identified easements. More info to follow on the discussion once a protocol is developed for this process.
2. We have added 2 more folks to our email list.
3. Flyers are ready for distribution. Brenda and Monica volunteered to pass them out to the local realtors.
4. Received an email from the Merced Star newspaper. Wants info on the group and highlight the trails here. He was given our website and will followup with additional info if needed.
5. Steve came up with an idea of making files for info related to each unit (M-1, M-2, M-3, T-2, T-3) Eric & Steve to work together on the idea for the next meeting.
6. Terrie ordered 2 inch by 6 inch orange reflective tape to try on the paddles instead of spray painting to see if it is a longer lasting and cleaner for visibility.
7. Fall Ride October 16th. Meet at the Horse Camp and ride out at 10am. After the ride, folks can go to Bosnik's Pizza or Lumberyard Café for lunch. This ride is to promote our trails and local eateries. Pass the word!

Meeting adjourned at 8: 15pm.

Happy Trails!
