Old Business:

Treasurers Report: current balance is 2472. We had a \$100 donation from the Camerons and more map sales. We have had requests for map sales to be mailed to people. We will put on Facebook and website that if people send check for \$25 plus \$5 postage and handling, we will mail them a set of maps. This should widen our market.

LDPOA Report: Jane reported on the recent developments of the Indemnity Policy movement. The LDPOA will be writing a letter of support to the Mariposa Supervisors.

Trailblazer Sign at Horse Park: This has been completed and installed. A Thank You e-mail has been sent to the Scobys.

Pending Funding with Tuolumne County for trail projects: Terrie has sent a letter to Tuolumne County and met with Tyler Summerhill for a tour of the community. They saw riders on the trails, rigs parked at trailheads and all of the improvements we have already made. The response has been positive and we hope our request for funding for signs and paddles is granted.

Website Update: Terrie and Monica have paid for 2 more years of the website. Thank you for your contribution/donation! Christina and Eric need to get together to discuss website technicalities. We have updates that need to be made.

Hwy 108 / J59 Intersection Update: Some e-mails have been sent and escalated up to Cal Trans. The intersction is being studied. It's not too late to voice your concerns to John Gray!

Hugh Martin Park Project: Announcement was made that gravel has been delivered! A work day was planned for 3/22 and Tom Jenkins donated his tractor time and expertise to finish spreading the gravel along with a group of rakers to make finishing touches. Work on the Kiosk will begin shortly. We are on schedule for an early May dedication.
