

## Minutes

### LDP Trailblazer Meeting November 21, 2013

Call to Order 7:00 pm

#### Old Business:

Treasurers Report – no update, previous balance \$2292 from October

LDPOA Report – Board did not approve money for gravel for Hugh Martin Park as they are over budget. They did approve the \$100 for the surveyor to locate the 3 pins that mark the open space corridor between Carmelita and Avenida Central. Jane and Merlin will work on obtaining money from the 1M fund to pay for gravel. May take up to 45 days to find out if possible. The LDPOA fiscal year is June to July so we will have to wait to attempt more funding from them.

Volunteer Hours May – October 11 additional volunteer hours logged

Gravel for Alfier – we will wait until we hear the outcome of the attempt to get 1M funds for Hugh Martin Park before we decide how to move forward at Alfier.

Hugh Martin Park Project – waiting on outcome of efforts to find funds for gravel. Need rain before we can burn the brush piles and mark more trails. Diane will organize a work day in December to locate more property pins.

#### Trail Marking

On the list to be completed:

DT Dead End Marker – we have the marker, just need soft ground to get it in

Access trails to Hugh Martin Park

Pariso/Carrizo

Coronado/Mercado

Rastro at Banderilla to La Joya

Mojica/Delorosa

Need some wet weather!!

#### New Business:

Jane suggested that the Trailblazers host some kind of horse playday event at the Mariposa Events Center after they open in May. We would like to support the Event Center but would need volunteers to coordinate an event.

Next meeting January 16 at 7:00 pm at LDPHS multi purpose room
